

Hemingford Grey Newsletter

Hello and welcome back to the Spring Term! This term is a very busy one with our Pied Piper production to rehearse and our Year 4's going on their first residential to Grafham Water. Our overarching topic for this term is "Is it right to excavate artefacts to find out about the past?" This is a history based enquiry that will lead the children to form their own opinions. As usual we will be developing the children's creative flair through clay and paper mache and our science enquiry through understanding rocks and fossils. So it really is a busy term! Please do come in and let us know if you have any expertise in any of our curriculum areas or if you have any questions.

Best wishes, Mrs Read, Mrs Ward and Mr Carter

Dates for your diary:
