Friday 13th May

### Mrs Marriott News Update:

We are all so proud of our Year 6 pupils this week as they have shown calm commitment to sitting each of their SATs papers throughout the week. They are enjoying the 'Life Education Centre' today which you may have seen on the playground. The focus is about 'Decisions'. This is a great end to a busy week.

Mrs Parker recently sent an email to say, *'We love to celebrate children's successes in school and do this on a daily basis. We would also like to be able to celebrate any successes they have out of school and would like your help to be able to do this! If you have anything you think we could celebrate about your child, please do email me (mparker@hemingfordgrey.cambs.sch.uk<sup>1</sup>) with a photo or copy of a certificate for example so we can display it on our 'Let's Celebrate' wall in the school hall. The achievement really can be anything! Maybe your child has passed a ballet exam, won a football match or learnt to ride their bike. Big or small we want to be able to celebrate their success! We have a board full of celebrations in the hall and enjoy sharing them in Friday Assembly. Please do keep sending them!*

With the Queen's Platinum Jubilee coming up in half term, we have a week of activities coming up. You will receive an overview of activities on Monday, so will know about some of the things that your child will take part in.

I wish you all a very enjoyable weekend!
