Mrs Marriott News Update:

In among all the rain and wind, the highlight of the week was the St Ives Rotary Quiz that took place last night with a team of Year 6 pupils who were AMAZING! We came second out of ten schools and the children were so quick with the answers. Better than the success of second place was the sense of 'togetherness' and fulfilling our school motto of Together Everyone Achieves More. The team effort was superb!

Another highlight of the week has been the visiting theatre company who have been exploring the story of Charlie and the Chocolate Factory through dance and drama. This event is in advance of World Book Day next Thursday 3rd March.

Whilst there have been so many wet and windy days, we have not been able to put out the fantastic boards on the playground that were created during Children's Mental Health Awareness week. Please do look out for them as they are a great celebration of the activities that took place during that week.

It was great to see so many children in their uniforms for World Thinking Day on Tuesday 22nd February.

Wishing you all a wonderful weekend!
