

Hemingford Grey Newsletter

5th September 2016

Welcome back to school. I hope that you have all enjoyed a wonderful holiday. We are all delighted to welcome the children back today and we are looking forward to meeting our new cohort of reception children over the next week. Please keep a look out for invitations to various meetings over the next few weeks and we will look forward to seeing you there. I am sure it is going to be another wonderful term at the school with much to celebrate.

Elections

KS2 children who are interested in standing for various roles will be bringing information home about how they can enter the elections that will take place during the forthcoming month. Roles available will be House Captains and Leaders, ECO/Science Committee, Digital Leaders and Ambassadors. (Ambassadors for year 6 only).

New Arrivals!

We thought one of our chickens had taken it upon herself to go on holiday for two weeks. As it turned out, she had hidden away under the nesting box and we found her eventually sat on a nest of eggs, some of which had hatched! We are all so excited about our first clutch of hatched eggs. We are now going to have to move the chickens into a larger residence - watch this space for more information.

House Champions 2015-16

It was a very tense last day assembly in July as the children waited to find out which house had won the cup. The house points were incredibly close between the houses, right up to the last day. In the end, St Edmunds topped the points board with a wonderful 3793 points. A HUGE well done!

"A smile is contagious. Is yours?"
