WHAT'S ON NEXT WEEK NEWSLETTER

Covid Update:

Please refer to the website for an updated PDF version of the 'Covid 19 Parent Flowchart January 2022' to ensure you can keep up to date with all the latest information from the government:

The letter which you were receiving before Christmas notifying you of a new positive Covid case in school is no longer being sent. This does not mean to say we have not had additional positive cases. Positive cases within classes are being monitored closely and moving forward, we will only send communication about cases should we reach a threshold which may mean we need to put additional measures in place.

Parents who have tested positive for Covid are welcome to drop their children to the school office if arranged with office staff in advance but please do not park in the disabled bay as this is required for taxis and to keep children safe.

Calendar dates for next week:

4:15-5:15 – AnsteyArt – Art Club – years 5/6
