

Mathematics:

We will be securing our knowledge of place value and number facts.

Science:

As scientists, we will dive deep into our curiosities and explore the digestive system; from teeth and how we break down food to food chains throughout the wild World.

Key Influencer : Maro Itoje

Modern Foreign Languages:

Children in Year 3/4 will be getting to know each other in French and learning the days, months, and colours.

Art & DT:

Welcome to the World of abstract art. The children will be researching famous artists that have shaped the way we look at art.

Key Influencer: Kandinsky

The children will also have the opportunity to learn new skills with wood working tools as they construct their very own wooden object.

Music:

As musicians, we will be creating music to accompany the movement of animals. We will also be learning how to play the recorder

Key Influencer: Thomas Tallis

Computing:

As computer technicians, we will be using technology responsibly by using a variety of software and the internet to complete tasks. As well as learning practical skills, the children will learn the importance of e-safety.

Key Influencer: Steve Jobs

WHAT MAKES A GOOD NEIGHBOUR?

History:

As historians, we are going to explore and investigate the details of a number of historic events and people that have impacted our local area. One such historic figure will be Oliver Cromwell.

Key Influencer: Oliver Cromwell

Geography:

As geographers, we will be exploring where the UK is in relation to the rest of Europe. We'll also be looking at our domestic geography within the UK in great detail.

Key Influencer : Boris Johnson

PSHE

We will be focusing on how to maintain relationships among friends and family as well learning about financial well-being.

Physical Education:

The children will continue to develop their athletic skills and dance and gymnastics will play a big part in this term. We will be learning new ball skills, which will be applied to sports such as hockey and football. Our specialist PE experts will be leading our learning.

Key Influencer: Jo Hunter

Religious Education:

Identifying the impact of religion on believers' everyday lives is an important step in understanding people. The children will have the opportunity to explore this and gain a grounded sense of how others may live their life.

Writing:

As writers, we will analyse traditional fables and have the chance to create one ourselves. We will also be gathering facts about major cities within Europe culminating with a report on the similarities and differences. We will be immersing ourselves into the creative world of poetry by researching a variety of fun and thought provoking poems.
