

## As Artists

we will use our observational drawing skills to sketch natural and man-made objects using sketching pencils, chalk and charcoal. We will mix paints to paint pictures of a castle and Hemingford Grey church.

## As Mathematicians

we will be learning about place value to show numbers in different ways. We will be learning different strategies for addition and subtraction.

**As Gardeners** we will tend to our allotments and take care of the school grounds.

**As Designers** we make castles which will be attacked.

## Celebration:

We will host a nativity!

**Music:** we will learn how to play the ocarina.

## As Historians

we will learn about why we have castles, what they were used for and who lived in them.

**Why do we have castles?**

**Computing:** We will learn how to open and insert text and pictures into a document.

**As Scientists** we will investigate materials and their properties. We will test different materials before choosing which materials are best to make shields and armour to protect knights.

**As Writers** we will learn to form letters correctly and to sound out words. We will learn about different books about castles and we will write our own setting descriptions.

**RE:** We will look at what beliefs people hold in Islam and Christianity.

## PSHCE & 6Rs:

We will learn how to be resilient when learning independently and we will learn how to work in team. We will focus on listening attentively to make sure we follow instructions straight away.

**As sportspeople** we will learn to roll, balance and jump in gymnastics and we will learn to play invasion games.
