E-Safety

We have been gathering pupil voice about e-safety, which we teach on a regular basis in school. Children are spending more time on screens at home and we are keen to work together with families to ensure we keep everyone safe. Look on the website for signposts to useful information.

Chickens

You may have seen or heard about the new additions to the chicken run. There are six chickens in total and the classes are all being timetabled to look after them. There will be a competition in school next week to name them. Thanks to 'Jessie's Hen's' who donated a free bag of food to the school.

you!*

Lunchtimes

We are committed to children having positive and healthy lunchtimes, so we have invested in equipment that enables children to be active and social time together. The children are enjoying using this range of equipment.
