

Friday 28<sup>th</sup> January

## WHAT'S ON NEXT WEEK NEWSLETTER

### **Mrs Marriott News Update:**

The school's Health and Safety Committee met this week and decided that it is time to revert back to using the main gate entrance to both drop off and pick up the children (effective from Monday 31<sup>st</sup> January). This means the one-way system will not be in place. There will naturally be more congestion by the main gate, but this will reduce the amount of people with children walking through the car park whilst traffic is also moving at these busy times. Now that we know covid-19 transmission risk is so much lower outside, the safety of everyone in the car park is our priority.

You will be aware that we have experienced a high number of covid-19 cases across school in pupils, staff and families. We thank you for your support and understanding in this challenging time. The office procedures for recording absence takes a long time with so many absences and so this information is often collated fully late morning. Teachers will read emails at lunchtime or at the end of the day to update their list of pupils who require remote learning to be provided, so learning specific to your child will not be available straight away. We also understand that from a home perspective, some children are feeling unwell or find the remote learning approach challenging. Please do what you can with children who feel well enough. We understand the isolation causes challenges at home as well. Please get in touch if you need technology or other support.

**Year 5 Football Fixture**  
**Thursday 27th January**  
**Hemingford 5 Stukeley Meadows 1**

**All played very well and represented HGPS fantastically. Into the next round!**

### **Calendar dates for next week:**
