## GO HEMINGFORD!

It has been an amazing couple of weeks at school with so much to celebrate. Our children have done us proud at a range of events by trying hard, working together as a team, demonstrating some amazing skills, but most of all, representing our school with such pride, politeness and consideration for others. We are incredibly proud of them all. We are also proud of our endeavours not to lose sight of a broad and enriching curriculum for our children, striving to keep the arts and sport a significant part of the children's education.

## County Hockey Tournament

**WE CAME 2<sup>ND</sup> OUT OF 84 TEAMS IN THE COUNTY!!**

Well done to our amazing players who performed superbly well in both stages of the competition. The final between Hemingford and Brington was closely fought and both sides played extremely well. Brington pipped us to the post with a 2-1 win. Our players represented us with excellent sporting behaviour. WOW!

## Film Festival Success

We are pleased to announce successes at the annual children's film festival. This year our Foundation Stage class came first, we had second and third in the lower key stage 2 category and there were commendations for years 1 and 2 as well as Mackenzie in year 5 who put his own entry into the competition. Well done to all children in the school who took part.

## SING FEST

Our choir sang with choirs from other schools at an incredible performance at West Road Concert Hall in Cambridge. The quality of singing was wonderful and all of the choirs performed beautifully. We were treated to an operatic performance of Romeo and Juliet in the second half with some wonderful acting to go along side. Very well done to our choir. They have turned up for practice every Wednesday morning and pulled together for a tremendous team performance effort. Thanks to Mrs Gunn, Mrs Mathews, Mrs Robertson and Miss Griffiths for their leadership

## Sports day

Huge well done to all children who took part in sports day and in particular to the winning house Downing. All children took part with incredible enthusiasm. Many thanks to the St Neots team for their help and to parents/carers for your enthusiastic support during the morning.

HUGE thanks to Mr Carter for his amazing organisation of the many sporting events.

## Girls' Football Match

Well done to our football team who played so well against Huntingdon. It was a hard fought and very close match, but in the end Huntingdon won the game by 5 goals to 3. A special mention must be made for all the girls. They played with a competitive attitude coupled with a wonderful sporting ethic. They put on a marvellous show of team work and togetherness.

**HUGE thanks to the Hemingford Gardening club for the £1500 donation to help us develop our grounds.**

**Please remind your children not to walk on the wild flower mound. We now have 29 flower species and counting!**

**I was obliged to be industrious. Whoever is equally industrious will succeed equally well.**

**(Johann Sebastian Bach)**

**Please remember that the car parks are for staff and visitor parking only. If you need a parking permit due to exceptional circumstances, please contact the school office.**

**Please continue to drive and park safely to keep everyone in the community safe.**

## Eddie the Eagle lands!

Many thanks to Mrs Shaw and Mrs Millen for pursuing Eddie the Eagle and arranging for him to visit the children. He spoke in an incredibly inspiring way about determination, resilience and effort; messages we give to our children every day.
