

# Hemingford Grey Primary School Newsletter April 28th 2023

## Mrs Marriott News Update:

We are really prioritising being active and healthy in school with some great plans for the next academic year to increase the clubs available and support children to have healthy bodies and healthy minds, ready for learning.

With increased use of the field, our lunchtime zones can run more effectively with dance, football, craze of the week and many more activities rotating over the term.

This term, KS1 and UKS2 are swimming; last term LKS2 were swimming. With Hemingford Grey and St. Ives surrounded by water, we are ambitious for all children to learn the basic skills in swimming and water safety. With 'Drowning Prevention Week' coming up this term – 17th-24th June 2023, we are keen to educate children on basic water safety. Many children locally take part in the summer Regatta in Hemingford and will have context for this important learning. Swimming is also lots of fun and good for keeping fit.

Your child may have mentioned mini trampolines – we have now got four staff members trained to Boogie Bounce in school so we will begin incorporating these into activity and PE sessions in school.

We welcome Year 6 back from Grafham and look forward to hearing about their amazing adventures.

Next week, we will be holding a special assembly to educate the children about the upcoming historical event of the King's Coronation. There are many celebrations within local communities over the additional bank holiday next weekend for families to attend and enjoy together.

Enjoy the bank holiday this weekend – fingers crossed for sunshine!
