Mrs Marriott News Update:

Power2Inspire:

On Tuesday we had a visit from the founder of Power2Inspire John Willis. Please check out the website: Power2Inspire¹. We had an assembly and activities for the children. He introduced the children to what life is like with a physical disability. Power2Inspire is about inclusive sports. Some of the pupil voice that we had back from the children:

"I learned that he didn't have hands but he can still do the same but he does it differently. Like holding a pencil in both of his paws and I use my hand"

"It taught me that anyone can play a game even if you have a disability"

"It made me think that I should never leave anybody out"

"It taught me to never give up"

"John draws amazing pictures of a wolf, a tiger and a horse. They were epic and he drew them with his paws holding the pencil"

Thank you for all that contributed to our feedback poll. A response will be shared next week.

We had another successful coffee morning with Miss Symons' class on Wednesday.

Tech Presentation and E-Safety:

Mr Carter held a tech talk ICT presentation for the current years 4 and 5 on Thursday, we had a great turn out. Please remember we have a membership with National Online Safety and as a parent you

can create an account for yourself and sign up to receive information and guides. Here is a link to remind you: National Online Safety Enrolment Page², also here is a link to the E-Safety page on the school website: E-Safety Page school website³ We will be holding parent information sessions in the Autumn term, we will advise you of these dates when known.

Have a lovely weekend!

Select from Aspens Reminder: We have had quite a few children today who had not had a school lunch ordered for them. Please can you log onto the system for your child and order their meal choices in advance. They were of course given a meal today but we had to offer them what there was too much of and therefore your child does not necessarily get the choice that they would have preferred - Thank you.
