

Year 5 and 6 Newsletter

Welcome back!

Happy Summer Term to you all. We hope you had a relaxing break and enjoyed the sunshine over the bank holiday weekend.

We have a busy term ahead with plays, sports day and an exciting range of learning opportunities. For some learning, the children will be split into year groups to accommodate the upcoming SATs testing and to support transition into Year 7.

As ever, if you have any questions throughout the term, please do come and speak to us.

Best wishes, Mr Churchill, Miss Honey and Miss Symons

Swimming reminder

During Summer Term, the children will be walking to St Ivo pool and swimming. Please ensure the children have appropriate equipment (swimming costumes/ shorts, goggles, towels) and are responsible for their own kit. Having no kit will result in the children missing out on vital water safety skills.

Year 6

Due to the growing numbers in the school, we now put on productions as a phase, and in Summer Term we will perform a Year 5/6 production. In order to ensure Year 6 pupils still have a leavers celebration, we have put on a Leavers Assembly for parents/ carers to attend on 23rd July. More information will follow later in the term.

SATS week: Pupils can continue to come into school at 8.15am where they will be able to revise, have a snack and prepare themselves in a calm way for the tests.

More information will be sent out about the tent over later in the term.
