Friday 17th June

### Mrs Marriott News Update:

What a super sunny week we have enjoyed!

We have worked hard to develop zones at lunchtime which offer the children a variety of activities to join in with as well as time for free play. We have a Craze of the Week (juggling this past week), ball games, allotments, a quiet area, football, dance zone, skipping, clapping games and much more. Some of these areas rotate to offer a range of activities to the children over a term.

In lower KS2 (year 3/4) we had some exciting learning this week, with small fires being lit on the playground. This is part of their learning about Anglo-Saxons and will result in the children cooking a stew. Thank you to all the parents who joined this activity.

We enjoyed two Coffee Mornings in school this week and tours with our new intake parents whose children will join our Reception class in Foundation Stage in the autumn. It is such a pleasure to welcome our families back into school life. Any offers for help in school, potential interest in fundraising or joining our governing body, please do drop an enquiry email into the school office and we will get back to you.

Staying Safe: Last week, I explained that Water Safety is a high priority for us here at Hemingford, this week I have a focus on Sun Safety. Mrs Butler sent a reminder this week about Sun Safety with reminders to stay hydrated, wear sun hats and sun cream. We know that some children need encouragement to follow the sun safe advice and we talk to the children about this in school. If you would like more information at home about sun safety, here are a few useful websites: Sun safety advice for parents | British Skin Foundation<sup>1</sup> and Sunscreen and sun safety - NHS (www.nhs.uk)<sup>2</sup>

Have a lovely weekend!

Kirsten Marriott
