

Mathematics:

We will continue to develop our fluency in arithmetic skills and continue to further apply our mathematical knowledge to problem solving, thinking carefully about the different strategies we can use.

Music:

As musicians, we will be combining the skills of singing and performance to create a musical theatre production.
Key Influencer: Andrew Lloyd Webber

PSHE:

We will be investigating how to maintain healthy lifestyles and create positive relationships with families and friends.

RSE:

Children will be learning how to understand and respect their bodies, and how to cope with the changes puberty brings. They will be supported in developing positive and healthy age appropriate relationships.

Science:

As scientists, we will be learning about properties and changes of materials. We will investigate a range of reversible and irreversible changes.

Key Influencer: Charles Macintosh

Modern Foreign Languages:

We will be learning about Cafe culture and the language used in restaurants. Our conversations will involve ordering meals using transactional language.

Art & DT:

As artists, we will explore the work of David Hockney and Katsushika Hokusai who used a range of mediums to interpret water. We will apply some of these methods to create our own art work. As designers, we will use our scientific knowledge to create floating boats.

Key Influencer: David Hockney

Computing:

Linked to our science, we will learn how to use computer programs such as Excel and Numbers to collect and present data. We will also learn how to use Powerpoint and Pages to help us to present our learning.

Geography:

As geographers, we will learn about how water impacts the landscape with a focus on coastlines and rivers. We will learn about how the environment is shaped by both physical and human influences.

Key Influencers: George and James Weir

Physical Education:

With a focus on cricket, we will be developing our skills in: batting, bowling, fielding and catching and applying these skills to games. Additionally, we will be refining our swimming strokes and learning how to be safe in water.

Key influencer: Ellie Simmonds

Religious Education:

We will identify what is expected from someone following the religion of Sikhism. In addition we will learn about key people who follow different faiths.

Key Influencer: Mo Farah

Writing:

As writers, we will develop our understanding of a range of text types including narratives and non-fiction using different stimulus. We will continue to explore sentence stacking to develop a deeper understanding of grammar and punctuation.

How does water affect people's lives?
