Mrs Marriott News Update:

Welcome back everyone and welcome to 2023!

I hope you all had an enjoyable time over the break from school. It is so lovely to see all the smiling faces back at school.

A big thank you to our helpers over the break, who kept the chickens clean, fed and watered – Eva, Sophie P, Amelie and Annabelle!

We have begun the spring term with a positive focus on our 7Rs. The children are excited to see who will get a 7R certificate this term.

Please take some moments over the weekend to take note of any dates that are coming up this term (for a reminder of dates please refer on the website: Letters Home¹ We will soon have an Online Safety Virtual Lunchtime session – one for FS/KS1 and one for KS2. These are just 30 minutes to pop in at lunchtime, so that hopefully anyone who is at work, can log in whilst they eat their sandwich. Online Safety is a key focus at home and at school so working together to keep children safe is a shared responsibility.

Please share our current vacancies with anyone who you think may be interested: Current Vacancies²

Staying Safe

Please remember that our school site and building is a NO MOBILE PHONE zone. This is in relation to our Safeguarding Policy. Please refrain from using your phone on the playground. Many thanks for your support and understanding with this.

Have a restful and enjoyable weekend, ready for the full week back next week.
