

This School Improvement Plan will be closely monitored by the Headteacher, Deputy Headteacher and Governing Body to ensure that actions identified are completed.

Detailed break downs are contained within the Basic Skills and Knowledge and Understanding Team Action Plans

**Target One:**

**Review the range of Theme/Big Questions to ensure that:**

1. They cover a range of subjects (particularly Big Questions that lead up to answering the main Theme questions)
2. Children have the opportunity to explore the Big Questions in depth in order to make considered responses and opinions which lead to a view being formed in relation to the Thematic question

**Target Two:**

**Develop a meaningful approach to assessing foundation subjects in order to make judgements about attainment and better plan for progress within each subject**

**Target Three:**

**To continue to develop children's application of spelling when writing in context**
