Friday 4th February

WHAT'S ON NEXT WEEK NEWSLETTER

Mrs Marriott News Update:

This week the school has again been filled with the wonderful buzz of many children as our Covid cases have reduced significantly and the majority of children have returned to school. Throughout the week, Miss Jones and I have spent a day focussing on monitoring the teaching and learning in each phase. The children have delighted us with conversations about the learning that is taking place across the school and shared evidence of their learning in their books and on Seesaw. Whilst there has been significant disruption to education in recent months with Covid, the children love coming to school and the staff team all work incredibly hard to ensure children make the best progress they can.

After huge amounts of enthusiasm and many applications, the Eco-Committee members have been selected by Katie and a school adult. There was so much interest and for those who didn't make the committee this time, there will be many opportunities for involvement in the projects. We are so proud that our pupil voice is so strong in wanting to make a difference to the world they live in.

With one week left till half term, we look forward to Children's Mental Health Awareness week and hope the children come home talking about the activities in school. For a reminder of the activities, please see the letter that we sent home: http://www.hemingfordgrey.cambs.sch.uk/web/letters_home/495226 I am looking forward to seeing how the children and staff 'Express Themselves' next Friday.

Parent Registration

In order to register your child with Select, once you have read the 'Introducing Select' PDF and received the letter with the school code and the code for your child/ren please go to: <https://select.aspens-services.com/account/register>
