

Hemingford Grey Primary School Newsletter 26th May 2023

Mrs Marriott News Update:

You may recall in an earlier newsletter that Fudge, the KS1 hamster, had just had babies. After half term, the 6 babies will be ready to re-home. If you would like to rehome a hamster for small donation, please contact the school office with your details. Miss Perry will get in touch to explain the care needs of a hamster so that you can be sure of the responsibilities and commitment involved. They will be available on a first come, first served basis.

Each week the House Points are collected from around school and the House Team in the Lead are announced in assembly. The points are cumulative across the year and each half term the House Team in the Lead gets an extra playtime together. This half term the House team in the Lead is Jonnie Peacock with 5040 points.

Staffing Update:

We are delighted to share that Miss Honey will be expecting a baby later in the autumn term. Recruitment for maternity cover will commence early next term.
