

As Artists

we will use our observational drawing skills to sketch natural and man-made objects using sketching pencils, chalk and charcoal. We will mix paints to paint pictures of a castle.

As Mathematicians

we will be learning about place value to show numbers in different ways. We will be learning different strategies for addition and subtraction.

As Gardeners we will take care of the school grounds.

As Designers we make castles which will be attacked.

Celebration:

We will host a production as a key stage!

Music: we will use our voices to learn about pitch and rhythm.

As Historians

we will learn about why we have castles, what they were used for and who lived in them.

Why do we have castles?

Computing: We will learn how to open and insert text and pictures into a document.

As Scientists we will investigate materials and their properties. We will test different materials before choosing which materials are best to make armour to protect knights.

As Writers

we will learn to form letters correctly and to sound out words. We will learn about different books about castles and we will write our own character and setting descriptions. We will write non-fiction texts.

RE: We will look at what beliefs people hold in Islam and Christianity.

PSHCE & 6Rs:

We will learn how to be resilient when learning independently and we will learn how to work in team. We will develop our growth mind-set and 'can do' attitude.

As sportspeople we will learn to roll, balance and jump in gymnastics and we will learn to play invasion games.
