Friday 15th July

Mrs Marriott News Update:

As we come to the end of the school year, we reflect on what has been another very busy year. With so much on hold in the autumn and spring terms due to Covid, we have had a jam-packed summer term with so many events and activities taking place. Some of the highlights have been the choir visit to the O2 for Young Voices, 'Coffee and Connect' mornings, the Year 5/6 production, the willow structures and open fire cooking in Year 3/4, the virtual visit to space in Year 1/2, the Jubilee celebrations, forest school in Foundation Stage and Stay and Play sessions in Pre-school. All the parental support and engagement in these activities has been great to help rebuild our school community together in person again.

Keep hydrated and safe in the heat this weekend.

Kirsten Marriott

Headteacher

Amber heat warning: The Met Office has extended an amber heat warning¹ for Sunday 17 July, Monday 18 July and Tuesday 19 July, as temperatures will build this weekend and early next week for much of England.

The current advice from the local authority/government is that schools are to remain open. The local authority are liaising with the government regularly and we will of course advise you if there any update later on today.

All staff follow these guidelines to keep children safe during extreme heatwave weather:

- Ventilation used throughout school
 - Children kept hydrated - please ensure water bottles are brought to school (they can regularly refill)
 - Children will not take part in vigorous physical activity
 - Children are encouraged to stay in the shade
 - Please make sure that children have sun cream on and bring hats to school.
-

Lunch options on Monday from Aspens:

On Monday because of the temperature expected there will be a change in the options offered:

Sandwiches - Ham, cheese, tuna mayonnaise or chicken mayonnaise

Salad bar

(Please choose a sandwich option on the Aspens Select for your child for Monday)
